

The Attorney General of California has prepared the following title and summary of the chief purpose and points of the proposed measure:

AUTHORIZES BONDS TO FUND CLEANUP OF CONTAMINATED LAND AND

WATER. INITIATIVE STATUTE. Authorizes \$2.7 billion in state general obligation bonds as follows: \$1.7 billion to the Department of Toxic Substances Control (\$1 billion to clean up contaminated sites, with priority to certain properties in Brisbane, Carson, El Monte, Lynwood, Newport Beach, Richmond, and Sacramento; \$500 million to implement existing hazardous waste laws; \$200 million to clean up schools); \$600 million for grants to local governments and nonprofit organizations to acquire and remediate contaminated properties, including conversion to parks; \$300 million for groundwater cleanup; \$100 million for hazardous materials response. Appropriates money from General Fund to repay bonds. Summary of estimate by Legislative Analyst and Director of Finance of fiscal impact on state and local governments: **Increased state costs of \$4.3 billion to pay off principal (\$2.7 billion) and interest (\$1.6 billion) on bonds over the next 30 years. Annual payments would average about \$140 million.**
