

The Attorney General of California has prepared the following title and summary of the chief purpose and points of the proposed measure:

PROHIBITS USE AFTER 2026 OF TEMPORARY CONGRESSIONAL DISTRICT

MAPS ADOPTED BY VOTERS IN 2025 IN RESPONSE TO TEXAS' PARTISAN

REDISTRICTING. INITIATIVE CONSTITUTIONAL AMENDMENT. In 2025, in

response to Texas' mid-decade partisan redistricting, voters passed Proposition 50 to require the temporary use of new congressional district maps in California's congressional elections through

2030. This measure would instead allow use of the Proposition 50 voter-approved maps only in

the 2026 congressional election, and would require for the 2028 and 2030 congressional

elections the use of the maps adopted in 2021 by the California Citizens Redistricting

Commission. Summary of estimate by Legislative Analyst and Director of Finance of fiscal

impact on state and local governments: **Likely minimal one-time costs to counties of less than**

a few hundred thousand dollars statewide to revert back to the Commission's 2021

Congressional maps starting in 2028 until the Commission establishes new maps following

the 2030 census. (25-0031.)
